

ART EXHIBITION FOR NEURODIVERSE ARTISTS, THEIR FAMILIES, AND CAREGIVERS

CALL *for* ART

The Volunteer Organization of CPRI (VOCPRI) and the London & Region FASD Conference Committee are seeking artists of all ages with lived experience of neurodiverse backgrounds, their families, and caregivers to submit original artwork!

PRIZES

The winning entry will receive a gift card of \$150 to a business of their choosing. Two runner-up entries will also receive gift cards of \$50 each.

SHOW OFF YOUR TALENT!

All artists can choose to have their work featured in a virtual exhibition that will be held during this year's London & Region FASD Conference on October 26, 2022.

Artists can also choose to include their art to be considered for a series of professionally-printed fine art greeting cards. Five art pieces will be chosen. All proceeds from card sales will go to VOCPRI, a non-profit registered charity, to aid in their mission to support the needs of individuals with complex mental health or developmental disabilities and their families.
